Subject: Copyright disclaimer on DIV1D

To whom it may concern,

The Dutch Institute For Fundamental Energy Research (DIFFER) hereby disclaims all copyright interest in the program "DIV1D" (which models the scrape-off layer plasma of magnetically confined fusion reactors) written by Egbert Westerhof, Gijs Derks, Jens-Peter Frankemölle, and Stijn Kobussen during their contract period at DIFFER. DIFFER hereby provides permission to license "DIV1D" under the Lesser GPL (GNU LGPL) conditions.

Best regards,

Martin van Breukelen
Institute Manager
